Environmental Policy

All Terrian Industrial Supplies & Services is committed to environmental leadership in all its business activities. We are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the natural environment. Our management team is committed to:

- Being an environmentally responsible neighbour in the communities where we operate, and correct incidents or conditions that endanger health, safety, or the environment.
- Complying with all legal requirements, regulations and standards of Trinidad and Tobago.
- Integrating the consideration of environmental concerns and impacts into all our decision making and activities.
- Corporate compliance with the environmental management programs of our clients and state organizations.
- Promoting environmental awareness among our employees and encouraging them to work in an environmentally responsible manner.
- Reducing waste through re-use and recycling and actively encouraging the use of recycled, recyclable, or re-furnished products and materials where these alternatives are available, economical, and suitable.
- Striving to continually improve our environmental performance by periodically reviewing our environmental policy and programs considering our current and planned future activities.

This Policy shall be regularly reviewed to ensure ongoing suitability. It is briefed to and acknowledged by all employees and sub-contractors.
